

## TRAVEL TAGS OFFERS NEW LINE OF NOVEL STORED VALUE SOLUTIONS

**Wednesday, February 21, 2007**

### **INVER GROVE HEIGHTS, MINN. -**

Travel Tags, Inver Grove Heights, MN announced the launch of a new line of innovative, interactive and novel stored value card and packaging solutions. The new line boasts features such as electronic lights, moving parts, value-added gadgets and more.

“We are always on the look-out for new and innovative ways to enhance our customers stored value programs,” said Ryan Schreier, VP of Stored Value Sales at Travel Tags, “we have developed strategic global relationships that enable us to provide an even greater range of products to our customers than we do today”.

Travel Tags focuses on strategic global partnerships for sourcing and manufacturing to meet the needs of their entire customer base. Travel Tags has facilities throughout North America and Europe as well as strategic partnerships in Asia and the Pacific Rim. With this global presence, Travel Tags ensures their products make the most of the creative ideas, quality standards, and location needs of their customers. Each Travel Tags facility and partner holds the same high-quality appearance and performance standards so customers receive their products on-time, with no defects and at a competitive price.

### **ABOUT TRAVEL TAGS, INC.**

Travel Tags, with 30 years of plastic printing experience, is headquartered in Inver Grove Heights, Minnesota. Travel Tags has manufacturing facilities, creative design services and sales offices throughout the United States as well as European-based operations through its sister company, Narboni, providing gift, loyalty and phone card program solutions to the European, Middle Eastern, African and Asian markets. By pooling the capabilities and resources of these strategic locations, Travel Tags offers a variety of stored value products and services including design concepts and online and in-store fulfillment for gift, loyalty, membership, discount and phone cards.
